Placement Test - Writing

Name: _____ Date: _____

Instructions

- You have 40 minutes
- You should write at least 250 words
- Choose ONE of the topics below to write about
- Do NOT use a dictionary

Topic 1

From the time we are young children, we are taught that it is always important to tell the truth. However, is honesty always the best policy?

OR

Topic 2

Climate change and environmental damage throughout the world are problems that are ever present but easily forgotten from the comfort of our homes. What should we, as individuals, be doing to help people who are directly affected by these problems? What should our governments be doing?
